

Morphett / Hutchinson Streets Precinct Upgrade Stage 2 Streetscape Update 3

17 March 2014

Streetscaping Works to Commence

Council's streetscaping contractor, Dig-It! Landscapes, have now established their construction site office.

Council's Project Managers have met with Dig-It! Landscapes Project Managers who have committed to commence work as of Tuesday 18 March with the majority of the initial work concentrated in the plaza area off Morphett Street east.

It is expected streetscaping works will be completed mid-year, weather dependent.

Remaining Civil Works

Public lighting has been completed with the new light poles in place and lights operational.

Kent Civil will complete the remainder of the minor civil construction works by the end of March.

What's Included in Streetscaping?

The landscape design includes features such as trees, arbours, artistic screening walls, white light LED footpath lighting, garden beds, curved seating walls and feature pieces. Materials have been selected to ensure durability and include local references such as bluestone walling.

Regular Update

Regular updates on the progress of the works will be posted to Council's website <http://www.dcmtbarker.sa.gov.au>.

Council's Contact

Should you require any further information or have any queries as works progress, please contact Council's Contract Project Manager, Mr Ian Powell, on telephone 0408 970 966 or email council@dcmtbarker.sa.gov.au.
