In the interest of workplace harmony, the parties agree that all workers performing a role for the Council shall be treated equally in terms of remuneration at the appropriate level as per Schedule 1. In accordance with Council's commitment to provide secure employment for its staff and the general principles underlying the Agreement, the Council will ensure that where labour hire agency workers are required, they will receive a wage no less than that which a directly employed staff member would receive.

4.8 TRANSITION TO RETIREMENT

Transition to retirement will enable Employees who are approaching retirement, but are unable to continue to work full-time or do not wish to continue to work full-time, to combine aspects of their careers and income with family involvement, other responsibilities and interests.

By written agreement between an eligible full-time or part-time Employee and the relevant General Manager, an Employee may participate in a transition to retirement program that is offered by Council. Participation is voluntary and must be requested by the Employee. The terms of the transition to retirement must be specified in a written agreement that is to be signed by the Employee and the General Manager. The agreement must include a nominated retirement date which must be within two years of the agreement date. The nominated retirement date can be deferred in exceptional circumstances by mutual agreement.

Prior to entering into a Transition to Retirement Agreement the Employee is encouraged to receive professional financial planning advice. Council will contribute to the cost of financial planning up to a maximum of \$500 for one occasion only.

An Employee participating in a phased retirement program will be eligible to work part-time and access their accrued leave entitlements (excluding personal leave) to make up a full fortnight's (76 hours) pay and may be able to access unpaid leave (provided that no other leave balances are available) under the following conditions:

- A minimum of three (3) months written notice is provided to the General Manager.
- The Employee has completed at least three (3) years continuous service with Council.
- The Employee who is working reduced hours and has Long Service and / or Annual Leave balances in excess of limits prescribed in the Management of Excess Leave Procedure, will be required to access their leave to make up a full fortnight's (76 hours) pay, until such time as the leave is reduced to below the prescribed limits.
- To ensure the Employee has reserved a minimum of fifteen (15) days to take leave each year.
- The Employee is not receiving workers compensation payments, temporary disability payments under a superannuation related insurance policy, or payments under any income protection or similar insurance policy.
- The Employee attends work for a minimum of three (3) days and a maximum of eight (8) days per fortnight over a ten day fortnight and the Employee has undertaken not to perform paid employment for any Employer other than Council during the hours for which they are being paid from their accrued leave entitlement.
- That the Employee has received professional financial planning advice prior to entering into a Transition to Retirement Agreement. Council will contribute to the cost of financial planning up to a maximum of \$500 for one occasion only.

- That the Employee is aware that when opting for part time hours, LSL accruals will be accrued on that basis (full time hours will be preserved as per Clause 5.3)

An Employee who is participating in a transition to retirement program may, subject to the provision of four (4) weeks' notice, elect to retire earlier than the date originally nominated by the Employee. A shorter notice period may be agreed at the discretion of the Employee's Manager.

It is expected that management of transitioning Employees will be undertaken respectfully and with dignity for the transitioning Employee. Employees participating in these arrangements may, by agreement, be appointed to another position at the same level as the substantive position that utilises the Employee's skills and abilities, while enabling another Employee to be appointed to the role in a full time capacity. The Employee transitioning may also be used to mentor the new Employee to enable critical knowledge and skills to be transferred.

Casual Employees are excluded from this Clause.

4.9 SHUTDOWN PERIOD

Council will have a shutdown period each year over the Christmas and New Year period and staff are required to take leave during this period. Communication will go out to staff on these dates no less than two (2) months prior to shutdown.

4.9.1 STAFFING FOR ESSENTIAL SERVICES

Essential Council services will be reviewed by management to ensure teams are appropriately staffed during the shutdown period. Consultation with impacted teams will take place to ensure staff are available to work.

4.9.2 TAKING OF LEAVE DURING SHUTDOWN

Staff must use their available leave entitlements or accrued Flexitime or TOIL during this period. Where no leave is available, staff may request an annual leave advance of no more than the period required for shut down.

PART 5 – TYPES OF LEAVE

5.1 TRUSTED PERSONAL LEAVE PROVISIONS

Council acknowledges the relationship of work and family and the importance of providing flexibility to the Employee, to increase productivity and reduce absenteeism.

Full time Employees accrue 76 hours of personal leave per annum on a fortnightly basis (part-time Employees accrue pro-rata) Unused personal leave will be carried

forward to the next year. Personal Leave is accrued each fortnight and can be taken after the hours have been accrued.

Employees are entitled to be paid personal leave for:

- any genuine purpose relating to his/her ill health and its prevention
- any genuine urgent situations where planning in advance to take another form of leave was not foreseeable
- any genuine purpose relating to ill-health or where care and/or support is required to a member of their immediate family or household, because of a personal illness, injury or unexpected emergency affecting the member.

For the purposes of this Clause, immediately family or household member includes:

- Spouse or Partner (including same sex partners, de-facto spouse)
- Child (including an adult child, adopted child, stepchild, foster child, or an ex-nuptial child)
- Parent/guardian, partner's parents, step-parent
- Grandparent, grandchild
- Sibling or stepsibling of an Employee
- A member of the household
- Person you are a nominated carer for

Employees may take the number of days required (subject to accrued entitlements held by the Employee) to recover from illness or provide care and support to ill family members. Leave will be granted on the basis of trust and the Employee's genuine assessment of the need to take the leave, therefore a medical certificate to prove illness is not required.

Council reserves the right to request an Employee who is absent due to personal illness for 3 consecutive days or more to provide a medical certificate indicating the date on which an Employee is fit to resume duty.

Personal leave cannot be used as a supplement to any other leave type for personal activities where an Employee would normally use another leave type (e.g. Annual Leave) or where the activity can be undertaken outside of normal working hours.

Employees must contact their supervisor as early as possible on the work day they are taking personal leave or as soon as practicable in the given circumstances.

In circumstances where it is found that an Employee has broken trust, inappropriately used these provisions, or where Council has a valid reason, the Employee may be required to provide a medical certificate for ongoing absences where:

- an Employee fails to contact their supervisor to advise they need to take personal leave within the required timeframes (as above) on more than two occasions
- where an Employee has been counseled about their behaviour and continues to engage in inappropriate behaviour
- Council has a valid reason (e.g. pattern of absences from work, regular and/or same day off).

In these instances, the issues will be discussed with the Employee before a final decision is made. At this point no medical certificate or other form of evidence will be required retrospectively, but may be requested in advance for future absences.

In the absence of appropriate documentation being provided, personal leave may not be paid and the absence from work will be seen as unauthorised.

Where evidence for an absence is required, the Employee may provide either a medical certificate (including, as best as possible, the date on which an Employee is fit to resume duty), a Statutory Declaration or another form of advice that can reasonably substantiate the reason for the absence to Council's satisfaction.

5.2 ADDITIONAL PERSONAL LEAVE

In exceptional and unexpected circumstances (e.g. health, family violence), up to an additional 10 days special paid Personal Leave per annum may be granted by the CEO (or their delegate), in consultation with People and Culture. All requests to access the additional days must be put in writing and will be determined on a case by case basis and a review of the Employee's current leave balances.

5.3 LONG SERVICE LEAVE

Long service leave will be administered in accordance with the Long Service Leave Act 1987 (SA).

An Employee may apply to take pro rata long service leave (for the taking of leave only) after seven years of continuous service.

By agreement, an Employee may take all or part of their long service leave at half pay thus doubling the period of long service leave taken (e.g. an Employee could access six weeks of long service leave at half pay thus enabling that Employee to have a period of 12 weeks leave).

Alternatively, by agreement an Employee may take all or part of their long service leave entitlement at double pay thus halving the period taken. (e.g. an Employee could access six (6) weeks long service leave at double pay therefore shortening the actual period of leave taken to three (3) weeks).

Employees are able to accrue up to 494 hours (13 weeks) of long service leave (pro rata for part time Employees). Any variation to these accruals to be in accordance with the Long Service Leave Act.

The application and approval of long service leave will be subject to the following conditions:

- Written application to the relevant Manager
- A minimum of 60 days' notice is provided prior to the proposed leave date, or lesser notice as agreed between the Employee and Employer
- Consideration of organisational requirements, including other Employees taking leave at that time
- If applying for leave at half pay, that the extended absence from work can be accommodated within the department and organisation.

Permanent full time Employees who negotiate to reduce their hours of work to part time shall have their long service leave hours (accrual or entitlement) preserved at the amount applicable at the time of the reduction in their hours of work. Accrual from this point will be at the part time rate as agreed.

Agreement to these provisions will not be unreasonably withheld.

5.4 ANNUAL LEAVE

Full time Employees are entitled to 20 work days (152 hours) cumulative for each year of continuous paid service. Part time Employees accrue Annual Leave on a pro-rata basis. Annual Leave is accrued each fortnight and can be taken after the hours have been accrued.

Annual Leave will be taken at a mutually convenient and agreed time between the Employee and Manager.

Employees are able to accrue up to 304 hours (8 weeks) of annual leave (pro rata for part time Employees) as long as a leave plan is in place in accordance with the Management of Excess Leave Procedure.

5.4.1 CASHING OUT ANNUAL LEAVE

Upon written request, Council will consider cashing out Annual Leave provided the Employee has at least 4 weeks annual leave remaining. The payment for cashed out

Annual Leave will be the same as what the Employee would have been paid if the Employee took the leave.

5.4.2 ANNUAL LEAVE LOADING

Annual Leave Loading is incorporated in the salaries as shown in Schedule A – Salaries

5.5 PURCHASED LEAVE

Employees have the option, subject to approval of the General Manager, to purchase up to four (4) weeks additional leave per year.

An Employee's annual salary will be reduced by the value of the amount of leave purchased. The additional purchased leave will not be able to be accrued and must be taken each year.

If the Employee is unable to take the additional leave his/her salary will be adjusted at the completion of the 12 month period to take account of the fact that time worked during the year was not included in the salary. Leave will be credited at the base salary applicable at time of application.

5.6 PARENTAL LEAVE

Leave under this Clause forms part of the total 52 weeks able to be taken for parental leave under the Award.

Where an Employee including eligible Casual Employees, being the parent of the child, can demonstrate they are to be the primary care giver to the new born child, shall be granted parental leave on full pay for a period as detailed below.

Parental leave provisions will be paid on the Employee's average hours worked for the two (2) years immediately preceding the parental leave period (e.g. 1 year full time and 1 year part-time or 2 years full time or part-time).

Part time Employees will be entitled to the same provisions as full time Employees on a pro-rata basis according to their contracted hours.

Paid leave can only be accessed by one parent at a time.

Paid parental leave of up to twelve (12) weeks will be paid in normal fortnightly payments, as either full weeks or half pay, from the commencement of the parental leave. Entitlements will apply as follows:

After 1 years' service	6 weeks full pay	12 weeks half pay
After 2 years' service	12 weeks full pay	24 weeks half pay

Years of service with other South Australian Local Government bodies will be recognised in determining the entitlement.

Any public or other statutory holiday that falls within the period of parental leave shall be counted as a day of parental leave.

Absence from work during paid parental leave shall count as service for sick leave, annual leave and long service leave purposes.

Where the pregnancy of an Employee terminates earlier, that 20 weeks prior to the expected date of delivery, her entitlement to any leave under this Clause shall cease. If termination occurs after 20 weeks, a maximum entitlement of up to 4 weeks paid leave may be accessed.

The parties acknowledge that Employees can access Council's paid provision and any Federal Paid Parental Leave entitlement (if eligible). The Employee must provide written advice as to whether he/she wishes to receive the Council and Federal Government entitlements simultaneously (both at the same time) or consecutively (one after the other).

Employees on fixed term contracts will not be entitled to parental leave beyond the expiry of their contract unless the contract is renewed prior to the expiry.

This Clause will be read in conjunction with Clause 6.5 of the Award.

5.7 PAID ADOPTION LEAVE

An Employee, excluding casuals, who submits evidence to the satisfaction of the Council that they are an approved applicant for the adoption of a child, and will be the primary care-giver, shall be entitled to paid leave for a continuous period of up to twelve (12) weeks, as per the table above (Clause 5.6), commencing from the date of placement of the child with the Employee.

Part-time Employees will be entitled to the same provisions as full time Employees on a pro-rata basis according to their contracted hours.

In extenuating circumstances, (e.g. overseas adoption) management will consider application of this section in full or part to Employees who have a shared care-giver responsibility.

5.8 PAID PARTNER'S LEAVE

An Employee, who produces to Council a certificate of a legally qualified medical practitioner stating that they or their partner is pregnant and specifying the expected date of delivery or who produces evidence they have adopted a child, shall be granted paid partner's leave on full or half pay for a period to two (2) weeks that can be taken at a mutually agreed time within twelve (12) months of the arrival of the child through birth or adoption provided that:

- The period of two (2) weeks leave will be paid in the normal fortnightly pay from the commencement of partner leave;
- Any public or statutory holiday which may fall within the period of two (2) weeks paid Partner's leave shall be counted as a day of such partner leave; and

PART 7 – DEVELOPING OUR EMPLOYEES

7.1 LEARNING AND DEVELOPMENT

Learning and development is seen as a shared responsibility between both the individual and the Council. It enables the Council to develop a secure and stable workforce equipped with the skills necessary to provide the services desired by our community. It also provides Employees with the opportunity to fulfil their ambitions and to progress into more rewarding positions within the Council.

Support for learning and development comes in a number of forms. By mutual agreement these may include, but not limited to:

- Study assistance to pursue qualifications at TAFE or University
- Training programs
- Secondments (Refer Clause 7.2)
- Career development opportunities – these may be opportunities to relieve in roles where short-term vacancies are created or where a job rotation may be of benefit to widen the Employees' breadth of skill and knowledge. It may also include participation in project teams or undertaking special project work.
- Part-time vacancies created due to Transition to Retirement provisions (refer Clause 4.8)

The active participation in performance reviews can be used for the development of long-term career goals (3 – 5 year) that the Employee wishes to work toward.

Training programs will be provided where possible during normal working hours. When it is determined that training programs will impact on customer service commitments, selected training programs may be conducted on Saturdays between the hours of 9.00am and 5.00pm or on weekday evenings Monday to Thursday between the hours of 5.00pm and 8.30pm subject to mutual agreement.

A minimum period of 1 months' notice will be provided prior to any training program being conducted during these times. Where possible, flexible options (i.e. more than one opportunity to attend a program) will be provided. No Employee will be required to attend any more than an aggregate of 15 hours of this type of training in any one financial year. Payment will be at ordinary time and Council will meet expenses incurred to provide care for dependents.

7.2 SECONDMENTS

Fixed term secondments to other Councils or organisations provide development opportunities for Employees as well as business improvement opportunities for

Council. Secondments can be initiated by an Employee or Council but can only occur through mutual agreement (in writing) with the relevant management representatives of Council and the partner organisation.

7.3 STUDY LEAVE

Employees undertaking courses of study are allowed time off with pay of up to 5 hours per week (including travelling time) to attend lectures and/or examinations and such time as is necessary for practical training in normal working hours subject to the following provisions:

Employees are encouraged to access this service as an early intervention to resolve problems with help from professional counsellors.

Employees may be offered this service by their supervisor where personal or work related problems may be negatively affecting their work performance.

Confidentiality is central to the success of the EAP and Council acknowledges the importance of maintaining confidences when Employees access this service.

PART 8 – OTHER ARRANGEMENTS

8.1 SUPERANNUATION

Choice of fund provisions apply from 1 January 2012 and enabled existing and new Employees to have the option to nominate a superannuation fund of their choice in accordance with relevant legislation. For any Employee that does not provide a choice form within the requisite period, as determined by the Employer, all contributions will be paid to Hostplus Super.

“Host Plus” means the superannuation scheme that merged with the Local Government Superannuation Scheme (“Local Super”) which was established under the Statewide Government Act 1934 (SA) that continued in existence under Part 2 of Schedule 1 of the Local Government Act 1999 (SA) and continues in existence under a trust deed dated 25 November 2008 pursuant to amendments from time to time.

The amount of the Employer superannuation contribution will be:

- a) For each Employee who is making “Salarylink Contributions” to Statewide Super:
 - i. 3% of the Employee’s salary; and
 - ii. any additional contributions which the Employer is required to pay in respect of the Employee pursuant to the Trust Deed as advised by Hostplus Super from time to time to finance the Salarylink benefit for the Employee; and
 - iii. any additional superannuation contributions which the Employer agrees to pay in respect of the Employee.

“Salarylink Contributions” has the meaning given to that term under the Trust Deed.

The Statewide Super Rules in respect to Employees making Salarylink contributions ensure that all members under any circumstances are provided with at least a minimum benefit that meets the requirements of the Superannuation Guarantee (Administration) Act 1992 (Cth).

New Employees to Council are not eligible for Salarylink Contributions.

- b) For each other Employee:
 - i. contributions which the Employer must pay to a superannuation fund in respect of the Employee in order to avoid becoming liable for a shortfall in respect of the Employee under the Superannuation Guarantee (Administration) Act 1992 (Cth); and
 - ii. any additional superannuation contributions which the Employer agrees to pay in respect of the Employee.

The Employer will process superannuation contributions to the relevant superannuation provider on a fortnightly basis in conjunction with payroll processing.

8.2 SALARY SACRIFICE

Council acknowledges that staff may wish to salary sacrifice any part of his/her salary to make additional contributions to Superannuation or for any other allowable purpose.

As salary sacrifice is a complex matter, it is the Employee's responsibility to seek financial advice and fully understand all implications of salary sacrifice before seeking to enter into this arrangement.

Costs associated with an Employee's salary sacrifice arrangement made through a third party provider will be borne by the Employee.

The full-time and part-time Employee's gross salary for all purposes, including but not limited to annual leave and long service leave, shall be the pre-sacrificing salary.

8.3 CORPORATE WARDROBE

The Council acknowledges that staff wearing of corporate uniform provides a professional image and brand of Council.

Employees who hold positions identified in the Corporate Wardrobe Procedure as being eligible for a uniform allowance shall receive:

- An initial allowance of \$796 per financial year upon completion of their probationary period and confirmation of employment
- A subsequent allowance for replacement garments due to fair wear and tear.

Remaining staff who elect to purchase the corporate uniform shall receive an allowance of \$271 per financial year upon completion of their probationary period and confirmation of employment.

Part-time Employees shall receive the allowance proportioned to the hours contracted to work and/or as negotiated with the Manager to meet business needs.

Any outstanding liability pursuant to the purchase of a corporate wardrobe and the above value of the allowance shall be paid in full by the Employee by 30 June annually, or deducted from any monies due if the Employee leaves the service of Council.

During the life of this Agreement, a Corporate Wardrobe Policy/Procedure will be developed that will preserve or improve the conditions stated above.

8.4 PERSONAL INCOME PROTECTION (PIP) COVER

In addition to the pay rises outline under this Agreement, Council will insure all Council Employees in a Personal Accident and Illness Cover.

The Policy covers Employees for non-work related injury and illness.

Policy benefits, excessive waiting periods and exclusions are all covered under the Cover and will be determined under this policy, as amended from time to time.

Where an Employee accesses income protection cover, payments are made as a compensatory payment, not wages continuance.

During a period of absence on PIP cover, the Employee's continuity of service is suspended but not broken.

There will be no entitlement to accrue annual, personal, or long service leave whilst an Employee is on PIP cover.

8.5 WORK HEALTH AND SAFETY

Safety is everyone's responsibility.

The Council is committed to providing a healthy and safe working environment for all workers. To achieve this commitment we have a WHS Management System to ensure workers are provided with:

A safe working environment

- Safe systems of work
- Plant, equipment and materials in a safe condition

It is essential that we all understand the importance of safety and that duties are undertaken in a manner which prevents injury to all workers.

PART 10 – DISPUTE RESOLUTION PROCEDURE

The purpose of the Dispute Resolution Procedure is to provide all parties to this Agreement a structured process to discuss and resolve all matters of grievance and dispute regarding any aspect of the employment and/or matter arising from this Agreement. Parties agree to use all stages in the Dispute Resolution Procedure to ensure that all issues receive prompt attention and are resolved, if possible, by conciliation at the organisational level.

During the implementation of the Dispute Resolution Procedure, work within the Council and at all Council work locations will proceed without stoppage or the imposition of any bans, work limitations or restrictions whatsoever, except in the case of genuine occupational health and safety issues as defined in the Work Health and Safety Act 2012 (SA) and no party shall be prejudiced as to the final settlement by the continuance of work in accordance with this Clause.

It is the aim of both parties to ensure that grievances are resolved as quickly as possible in order to preserve positive working relationships.

In the event of a dispute arising between the Council and an Employee or Employees concerning any aspect of work, the following procedure shall be observed:-

- **Stage 1**

Employee(s) will, in the first instance, seek to resolve any dispute with the relevant supervisor. If the Employee wishes, he or she may involve a representative of their choice in attempting to resolve the dispute. Conversely, supervisors should seek to resolve any dispute with the Employee(s) concerned.

- **Stage 2**

If the matter is not resolved at stage 1, the Employee may wish to discuss the matter at issue with the appropriate next higher level of supervisor.

- **Stage 3**

Should the matter remain unresolved, the Employee(s) and/or their representative may refer the matter to the Chief Executive Officer and/or the Manager People and Culture.

The above stages should be completed within fourteen (14) days of the issue first being raised.

- **Stage 4**

Should the matter remain unresolved, either party or their representative(s) will have the right to apply to the South Australian Employment Tribunal for conciliation and if the matter remains unresolved arbitration, subject to the SAET having jurisdiction to deal with the matter. The parties agree that any arbitrated decision by the SAET will be binding on all parties to the dispute, subject to the parties' rights of appeal under the relevant legislation.

At each stage of this procedure, a record should be made of the time and date of discussions and relevant outcomes. The Employee and relevant supervisor should sign off such record as accurate;

Any disputes arising from the operation of this Agreement shall be dealt with through the following steps –

- The Employee may raise the issue with a member of the Workplace Consultative Committee which shall convene and attempt to resolve the matter.
- If the matter is not resolved, then it may be referred to the SAET for conciliation and/or arbitration.
- Nothing contained in this Clause shall prevent the Employee, Employee's representative or the Union from raising matters directly with management.

None of the above precludes an Employee from contacting their workplace representative, union official, other external/legal parties or the officer responsible for People and Culture at any time.

At any of the above stages parties may agree to mediation or an alternative process in lieu of the prescribed steps in this Clause.
