

Dear Neighbour,

This is a friendly anonymous note to bring to your attention, as you may not be aware that your cat(s) has/have been:

- ☐ Fighting with other cats
- ☐ Yowling
- ☐ Using my garden as a toilet
- ☐ Spraying urine
- ☐ Hunting native wildlife
- ☐ Observed wandering outside of the Council's Cat Curfew Hours, 8pm-7am

As you can appreciate, not everyone welcomes cats wandering onto their property and trust this matter can be resolved amicably.

Further information on the Council Cat By-Law can be found at:

Thank you for your understanding.

Kind regards

*Your Neighbour*
