

Events Accessible for All

Here are some tips to help make your event accessible for all:

ACCESSIBLE PARKING

- Show where the accessible parking spots are on websites, social media and event programs.
- Get an early start and mark out the accessible parking spots.
- When marking out, make sure there is space on the sides and a metre behind the vehicle to allow ease of access of people and equipment.
- Council has accessible parking signs that can be borrowed.
- Display signs clearly and allow one sign per accessible parking bay.

QUIET AREAS / LOW STIMULATION

- Consider having a quiet space for families / people who require low stimulation / calm activities.
- Provide calm activities like wooden toys, games, drawing / colouring.
- Council has box of calm activities for kids that can be borrowed.
