

RECREATION AND OPEN SPACE ASSETS

— Maintenance Service Levels (MSL) —

Mount Barker District Council is responsible for the parks and reserves in our area, and the diverse range of assets you find within each. Not all assets are the same, we have a hierarchy that we work to.

PURPOSE

The Maintenance Service Level (MSL) outlines how the council plans and delivers recreation and open space maintenance to the community. It guides both reactive and planned maintenance, helping to prioritise resources and optimise budgets.
