\*Contractor details: \_\_\_\_\_ Ph: \_\_\_\_\_

---

**The Permit Holder** hereby undertakes to comply with the terms, conditions and provisions of this application, including the Specifications, Drawings, Conditions and other approvals granted by the District Council of Mount Barker. The permit Holder is responsible for any contravention of the Permit or its conditions, or of any infringement of the Local Government Act, 1999 or any other Acts. The permit Holder accepts responsibility for any damage caused to the road, footway, reserves, nature strips, or any other damage of Public property as the result of the works; and, understands that Council may complete any repairs necessary and recover costs from the permit Holder in accordance with the provisions of the Local Government Act 1999

**Note**

- 1) Prior to commencing proposed works; the Permit Holder should contact *Dial Before You Dig* (Ph: 1100) to ascertain the location of underground services and if any necessary precautions are required.
- 2) A plan drawn to an appropriate scale is required. This plan shall show precise locations, including measurements of any existing and proposed crossovers, drains, electrical or water connections etc. with locations of any stobie poles, trees or other infrastructure. It shall also show the locations of any buildings on the land.
- 3) The ongoing maintenance of all items covered by this Permit is the responsibility of the permit Holder; should the vegetation or other not be maintained so as not to cause a hazard/ nuisance to the public or be in breach of the permit conditions; council may prune or remove the vegetation.
- 4) The mature height of planted vegetation must not interfere with any overhanging power lines, infrastructure or intrude into traffic clearance envelope. (Obstruct vehicle or pedestrian sight and access)
- 5) Indigenous plant species, propagated from locally sourced material should be used in roadside vegetation works unless otherwise specified or approved by Council.
- 6) Trees or vegetation planted on Council controlled infrastructure remain the property of Council.
- 7) Workzone Traffic Management in accordance with AS 1742.3 should be considered where traffic or pedestrian access is restricted during the proposed works.
- 8) Infrastructure will be reinstated to Council's satisfaction. Reinstatement fees will be charged where applicable for the reinstatement of Council infrastructure due to the carrying out of the proposed works.
- 9) This application must be approved in writing by Council and any fees (if applicable) paid prior to any work proceeding. All work is to be approved by Council and notice must be given to the appropriate Council officer, before the commencement of the approved work.

## APPLICATION

### **CONDITIONS AND PROVISIONS FOR WORK THAT IMPACTS ON COUNCIL OWNED STREETS, ROADS OR COUNCIL OWNED INFRASTRUCTURE OR COUNCIL CONTROLLED LAND**

**1. TEMPORARY CROSSINGS OVER FOOTPATHS** – the area of the work and its immediate vicinity must be kept safe for pedestrians. Where applicable; warning signs, bollards, netting or bunting must be erected during works in accordance with AS 1742.3 (Workzone Traffic Management)

**2. CONCRETE WORKS/ BRICK WORK** - Where approval has been given for street works involving concrete/ brickwork, the following conditions shall apply:-

- (a) No concrete/ brick cutting equipment shall be cleaned in the street, and no cement/ brick slurry or other materials to be allowed to enter the stormwater system.
- (b) On completion of concrete/ brick works the street to be thoroughly cleansed of all cement and other materials or rubbish associated with the work.
- (c) In heavily trafficked streets, vehicles associated with concrete works shall NOT be manoeuvred to or from the site during peak traffic hours 8 to 9 am and 4 to 6 pm. Prior to the commencement of any works the Council will confirm whether the street the subject of this Permit is heavily trafficked.

**3. INSURANCE** – The Permit Holder/Contractor shall take out and keep current during the period of this contract a public risk insurance policy in a form approved by the Council, in the name of the Council and the Permit Holder in the minimum sum of ten million dollars (\$10,000,000) insuring the Council and the Permit Holder against all actions, costs, claims, charges, expense and damages whatsoever which may be brought or made or claimed against the Council or the Permit Holder or both arising out of or in relation to the undertaking of the works. **Proof of insurance cover shall be provided to Council with this application.**

If the works are being undertaken by a Contractor, the Permit Holder must ensure that the Contractor has the appropriate insurance cover as outlined above indemnifying Council, the Permit Holder and the Contractor for the period of the works. Proof of insurance cover is to be provided to Council with the application, and a permit will not be issued until such time as a copy of the insurance cover is received.

#### **4. INDEMNITY**

- (a) The Permit Holder agrees to indemnify the Council from and against all actions, costs, claims and damages, which may be brought or claimed against the Council arising out of or in relation to the granting of this Permit.
- (b) The Permit Holder agrees to release the Council from any liability or claim resulting from any accident, damage or injury occurring on or in the street, road, infrastructure or land.
- (c) The Permit Holder agrees that the Council will have no responsibility or liability for any loss or damage to the Permit Holders fixtures or fittings or personal property.

**5. STANDARDS** – During the period in which this Permit is current the Permit Holder must comply with any applicable industry or health and safety standards in relation to the use of the road, infrastructure or land. The Permit Holder must ensure that the activity permitted to be carried out by this Permit is conducted in a safe and responsible manner.

The Permit Holder must comply with any Act of Parliament, regulation or by-law relating to the use of the street, road, infrastructure or land. Wherever there is any cost involved in complying with the preceding requirement, the Permit Holder will be responsible for payment of those costs.

**6. DAMAGE** – The Permit Holder must take all precautions to avoid damage to the Council street, road, infrastructure or land. The Permit Holder must immediately notify the Council of damage to the street, road, infrastructure or land or any Council owned property located within or adjacent to it or them. The Permit Holder will be responsible to reimburse the Council for all its reasonable costs to repair or rectify any damage caused as a result of the Permit Holder's use or misuse of the street, road, infrastructure or land.

**7. BREACH** – If the Permit Holder breaches a provision of this Permit, the Council may give the Permit Holder written notice to remedy the breach and the notice will identify that failure to remedy the breach will result in cancellation of the Permit.

If the Permit Holder fails to remedy the breach within a time specified in the Council's notice, then the Council may cancel this Permit.

**NOTE:- The Permit Holder, having obtained from the Council for the opening of any street, road or Council land for the planting of vegetation, must ascertain the actual position of any existing services from the Council (for STED**

**APPLICATION**

locations) and from the relevant utility or Department before excavating or breaking the surface of any street, road or Council land or doing any act which may interfere with any existing service pipes or conduits, and must exercise special care in breaking up and reinstating so as not to damage any underground or over-head services.

**I ACKNOWLEDGE THAT I HAVE READ AND UNDERSTAND AND AGREE TO ABIDE BY AND BE BOUND BY THE SAID CONDITIONS.**
